

D.VA RAZER MEKA

MASTER GUIDE

Engineered to function and look just like D.Va's iconic headset, this MEKA-approved headset comes equipped with large neodymium magnet drivers as well as an omnidirectional mic and in-line controls, so you can hear and deliver commands with ease. The leatherette on-ear cushions provide you with the same comfort that allows you to always rock your **D.Va Razer MEKA** headset regardless of where you are.

- A. Adjustable padded headband
- B. Leatherette on-ear cushions
- C. Discreet omnidirectional microphone
- D. Volume control wheel
- E. Microphone mute toggle
- F. 3.5 mm audio + mic Jack

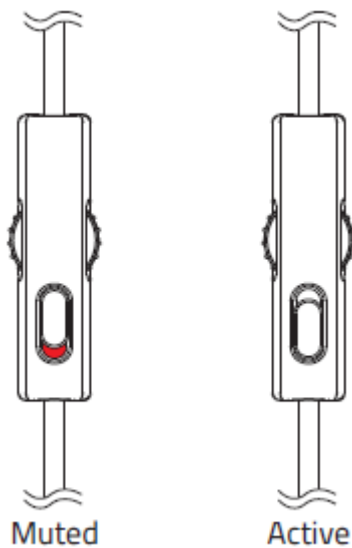

5. USING YOUR D.VA RAZER MEKA

USING THE IN-LINE CONTROLS

Rotate the volume control wheel clockwise or counterclockwise to increase or decrease the audio volume.

To mute / unmute the microphone, simply shift the microphone mute toggle to muted or active setting.

EXTENDING YOUR HEADPHONE'S LIFESPAN

We recommend stretching the headphones gently apart before placing them over your head to minimize headband stress. However, please avoid overstretching the headphones beyond its technical limits.

6. SAFETY AND MAINTENANCE

SAFETY GUIDELINES

In order to achieve maximum safety while using your D.Va Razer Meka, we suggest that you adopt the following guidelines:

Should you have trouble operating the device properly and troubleshooting does not work, unplug the device and contact the Razer hotline or go to support.razer.com for support.

Do not take apart the device (doing so will void your warranty) and do not attempt to operate it under abnormal current loads.

Keep the device away from liquid, humidity or moisture. Operate the device only within the specific temperature range of 0°C (32°F) to 40°C (104°F). Should the temperature exceed this range, unplug and/or switch off the device in order to let the temperature stabilize to an optimal level.

The device isolates external ambient sounds even at low volumes, resulting in lowered awareness of your external surroundings. Please remove the device when engaging in any activities that requires active awareness of your surroundings.

Listening to excessively loud volumes over extended periods of time can damage your hearing. Furthermore, legislation of certain countries permits a maximum sound level of 86db to affect your hearing for 8 hours a day. We therefore recommend that you reduce the volume to a comfortable level when listening for prolonged periods of time. Please, take good care of your hearing.

MAINTENANCE AND USE

The D.Va Razer Meka requires minimum maintenance to keep it in optimum condition. Once a month we recommend you unplug the device from the computer and clean it using a soft cloth or cotton swab with a bit of warm water to prevent dirt buildup. Do not use soap or harsh cleaning agents.

LIMITED PRODUCT WARRANTY

For the latest and current terms of the Limited Product Warranty, please visit: [razer.com/warranty](https://www.razer.com/warranty).

LIMITATION OF LIABILITY

Razer shall in no event be liable for any lost profits, loss of information or data, special, incidental, indirect, punitive or consequential or incidental damages, arising in any way out of distribution of, sale of, resale of, use of, or inability to use the Product. In no event shall Razer's liability exceed the retail purchase price of the Product.

COSTS OF PROCUREMENT

For the avoidance of doubt, in no event will Razer be liable for any costs of procurement unless it has been advised of the possibility of such damages, and in no case shall Razer be liable for any costs of procurement liability exceeding the retail purchase price of the Product.

GENERAL

These terms shall be governed by and construed under the laws of the jurisdiction in which the Product was purchased. If any term herein is held to be invalid or unenforceable, then such term (in so far as it is invalid or unenforceable) shall be given no effect and deemed to be excluded without invalidating any of the remaining terms. Razer reserves the right to amend any term at any time without notice.
